GREATER ANTIOCH 21 Day Daniel Fast

Well, we are in the New Year, which on January 8th will begin the 21-Day Daniel Fast for us. The 21-Day fast is the most popular, primarily because that is the model set out by Daniel in Chapter 10:2-3 – *“In those days I, Daniel, was mourning three full weeks. I ate no pleasant food, no meat or wine came into my mouth, nor did I anoint myself at all, till three whole weeks were fulfilled.”*

First, we desire to give you enough information to be successful on your fast. One thing I want to advise: be prepared to have the right kind of foods in the house that you can eat for the Daniel Fast. See the Daniel Fast Guidelines. Also, plan your menus and prepare the foods so they are available to you. See the following recipes, plus there are many recipes on the Internet that you can make ahead.

Second, you might want to get rid of or at least put away foods that are tempting. Kind of like the biblical accounts of Jewish women as they prepared for the Passover by cleaning their houses from top to bottom and removing all yeast from their homes. Many Jews engage in this same practice today when they prepare for the Passover.

Third, plan time to prepare meals as they will likely take a little longer than when you are not fasting. Most of the meals you prepare will be from scratch since there are so few prepared products that don't have chemicals in them. So, you will want to set aside enough time to prepare your meals, not only for those you will have at home, but also those you will have at work or when you are traveling.

Fasting Intentions and or Goals

As you begin this fast, you must set intentions. Without set intentions or goals, this time of fasting will only be a test of your human will as opposed to a time set aside for God to deal with your heart. Before writing down any goals, take some time before the Lord in prayer and ask Him to reveal to your heart what He would like to minister to you doing this time of consecration. Perhaps God has already been speaking to your heart over the past few weeks. If so, ask Him to bring those things back to your memory.

What is your reason for joining the 21 Day Daniel Fast?

Where Does the Daniel Fast Come in the Bible?

The Daniel Fast is a method of spiritual fasting based on the prophet Daniel's experience fasting according to the book of Daniel in the Bible. There are two passages specific that the Daniel Fast is based on:

1. "Please test your servants for ten days and let them give us vegetables [pulses] to eat and water to drink." Daniel 1:12
2. "In those days I, Daniel, was mourning three full weeks. I ate no pleasant food, no meat or wine came into my mouth, nor did I anoint myself at all, till three whole weeks were fulfilled." Daniel 10: 2-3

From this experience, Daniel was said to gain knowledge, wisdom, spiritual understanding, favor, and even better appearance (Daniel 1:15-20) in addition to answered prayer and spiritual insight (Daniel 10: 11-12). So, the idea behind the fast is that you would set aside other foods and focus on eating plant-based meals as an act of worship and sacrifice.
